CALL FOR PROPOSALS – VISUAL AND MEDIA ARTS
m-a-i.qc.ca

Deadline to send your files: August 30th, 2022
(Please note that the MAI accepts proposals at all times. The deadline above is specifically for the programming of season 2023-2024)

Please note that the size of the gallery is 13.87 m x 23.13 m or 39' x 65' and that priority will be given to projects that make ample use of the space. Sculptural or media arts installations (video projections, sound art, etc.) are our first choice, although the disciplines of painting, drawing, photography, etc. are not excluded. Please consult the gallery's technical rider.

The proposal must include:

1) **Your complete contact information** *(postal and email addresses, phone number)***;**

2) **A project description** *(a short text describing the project and listing the materials used, the physical characteristics and the technical requirements of the piece(s) to be shown. 500 words max)**;***

3) **A description of the project's intercultural approach** *(250 words max);*

4) **An artist statement** *(from each artist, in the case of a collective exhibition, 250 words max);*

5) **Curriculum vitae** *(from each artist and from the curator, if applicable.)*

6) **Portfolio** of ten (10) digital images (jpeg – 1024 × 768 @ 72 dpi) representing the artist's recent or current work. If applicable, a video of 5 minutes or less;

7) **Detailed image list** describing each image *(title, date, dimensions and medium).*

8) **Other relevant documents** *(floor plan, press kit…)*.

9) **A preliminary budget** indicating how the artist anticipates covering costs linked to the production and installation of her/his work that exceed the technical help and the artist fee provided by the MAI. This forecast should include anticipated or confirmed sources of revenue, and the costs to be assumed by the MAI, if applicable. Please note: the MAI generally contributes to the cost of travel, accommodation and a minimum amount to the installation of the exhibition (paint, etc.). The MAI does not assume production

costs.

Important :
Your application must be completed via Google Form. Applications will be accepted until midnight on August 30th 2022. **Please note: no paper applications will be considered.**

Questions can be directed to Jaëlle Dutremble-Rivet, production@m-a-i.qc.ca, Production Coordinator, Telephone: 514 982-1812, extension 230.

Please note that results will be sent by email, but due to the high volume of proposals received by MAI, response times may vary.
